- **Community Centre** anticipated to open 2025
- Other elements of the **Local Centre** delivered within next 5 years (not including Health Centre and Extra Care facility which are subject to NHS and Hampshire County Council, timescales still to be confirmed)

Wildlife Update

Roe deer can be spotted across Berewood, even in residents gardens!

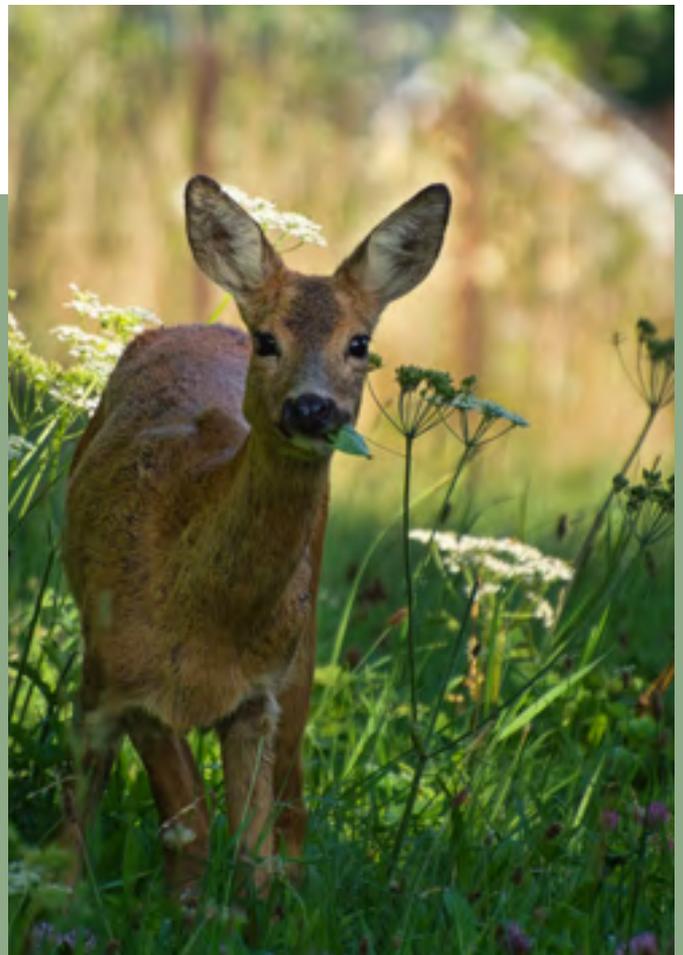

Roe deer are relatively small, reaching around 3ft in height.

Their appearance changes throughout the year. They have a bright red-brown coat in summer, which fades to a duller shade of brown in winter.

Their bottoms are white, which you will probably catch a flash of as they bound away at speeds of up to 37mph!

Male roe deer begin to grow short antlers in November, shedding the velvet from them in the spring. After mating in the summer, they shed their antlers in October and begin to grow a brand new set.

When startled roe deer make a dog-like barking sound.

BEREWOOD in Bloom

Celebrating your gardens this summer

We want to showcase residents hard work creating beautiful gardens with a competition to find the best from the following categories:

Environmentally Friendly

Do you have a pond teeming with wildlife? Bug hotels for bees? Bird feeders galore? Then you could be our environmentally friendly winner.

Blooming Marvellous

Does your garden contain a range of beautiful flowers? Perhaps you are proud of your topiary, or have some spectacular fruit trees? This is the category for you.

Landscaper Extraordinaire

Have you lovingly created a cosy space bringing the indoors outdoors? Is your patio the perfect BBQ spot? Or have you built a children's playhouse that brings joy to little ones every day? Share it with us!

The winner of each category will receive a **£50 Amazon voucher**, as well as a trophy and the envy of your friends and neighbours! You can enter as many categories as you like.

To enter: email berewood@graingerplc.co.uk a picture of your garden along with your name and the first line of your address. Deadline for entries is midnight on Sunday 31st July 2022.

Please note the winning pictures will be published both in the newsletter and online.

You can also tag us on instagram: **@berewoodhants** or use **#berewoodinbloom**

Judges include representatives from Grainger Plc, Newlands Parish Council, and The Wildlife Trust. We look forward to seeing your entries and making our decision as difficult as possible!

Free Bus Tickets for Residents

Part of welcoming you to Berewood

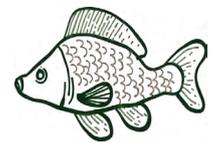

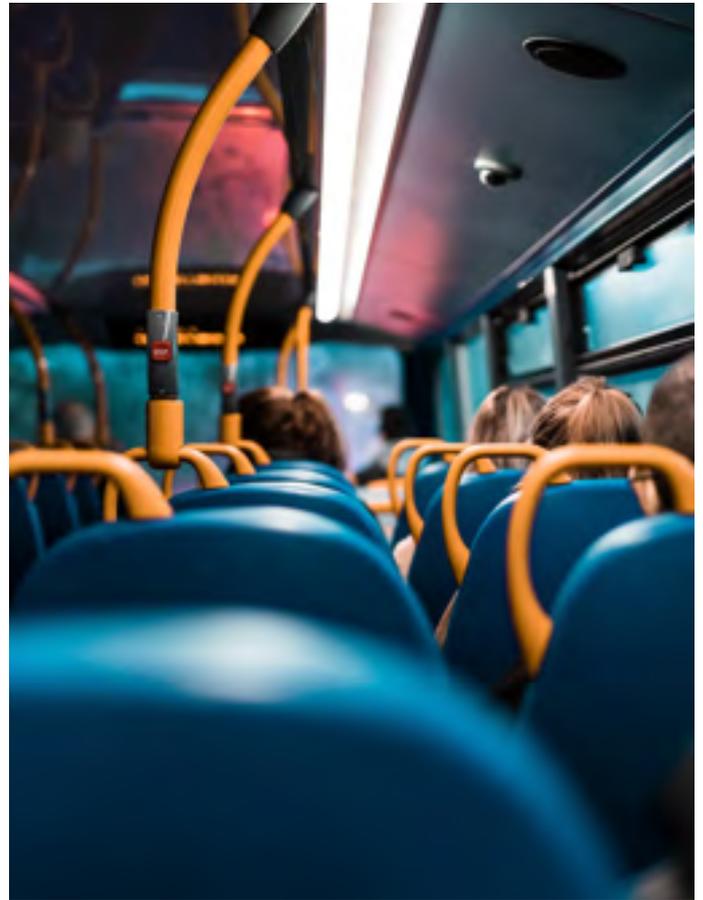

Grainger offers all residents a First Bus taster ticket as part of your welcome to site (one per household. The offer also includes a £50 voucher to spend on cycling equipment at a local cycle store.)

Due to the COVID-19 pandemic any bus tickets requested in the last 12 months had been delayed. However, with restrictions easing residents who have requested the First Bus taster tickets in the last year should receive them by post by June 2022.

If you would like to claim your bus or cycle voucher please email travelplan@paulbashamassociates.com

or return the voucher claim form found within the travel information pack you received when you moved in to:

Paul Basham Associates, The Bothy, Cams Hall Estate, Fareham, PO16 8UT

Proxima Pond

The large pond has had a spring clean

Located west of Proxima Park, the pond has been cleared of rubbish and debris, and is looking much healthier!

Did you know there are actually 2 ponds located here? One is very overgrown, and we are hoping to spruce up this area next spring.

As well as opening up the second pond, we will be improving the landscaping and providing additions such as a pond dipping platform and benches. Contractors were sadly unavailable this year due to covid, and spring is the best time to do these works.

Wellness Wednesdays

Sessions at Newlands Community Hall

It can be easy to rush through life without stopping to notice much.

Mindfulness is paying more attention to the present moment, to your own thoughts and feelings, and to the world around you.

Discover new ways of welcoming a bit more peace into your life from 8-9pm on Wednesdays at Newlands Community Hall, opposite Berewood Primary School.

You only need to bring a pillow and a blanket/yoga mat, and a notepad and pen.

£6 per session, booking for 6 sessions required in advance.

To book or for more info please contact Clare:

07920 069342

Food Support for the Community

Donations gratefully recieved

As well as collecting supplies for Ukraine, WaterlooVille Food Bank is always in need of donations for local families.

Based at Wecock Church the Food Bank is open for collections and donations on Mondays 9:30 - 11:30am and Fridays 12noon - 2pm. There is also a donation point at Sainsburys.

www.waterloovillefoodbank.co.uk

Growing Places has teamed up with FareShare and local supermarkets to create a Community Pantry; offering kitchen staples at a much reduced rate, supporting families and the community to fight food waste and rising costs.

The Community Pantry is located in the Meadow Building, PO7 7DB. Open Monday* 9 - 10am, Thursday 6:30 - 7:30pm, Friday* 9 - 10am, Saturday 10am - 12noon. Pay £5 and recieve £15 worth of food of your choice.

*Term time only

Great Crested Newt Monitoring

Looking after our protected species

We are lucky to have Great Crested Newts in the various ponds around the site. As they are a protected species we keep a close eye on them to ensure they are kept safe away from any construction work that may be happening nearby. The black plastic fencing around several of the pond areas is designed to keep the newts safe and stop them from wandering too far away.

In April and May we have experts undertake surveys to find out where newts are present and how many there are. This year we have found several beautiful specimens making themselves at home at Berewood.

Did you know...?

- Great Crested Newts like hedgerows and boggy grassland where they can hunt for food in summer and autumn, and safe hidden spaces to lie dormant during the winter, making Berewood their perfect habitat.
- They can be identified by their warty textured skin and yellow spotted bellies.
- At the start of spring the male grows a great crest, signalling the beginning of the breeding season. The male great crested newts 'dance' using their impressive tails to waft pheromones to entice females. The great crest is then re-absorbed by the male after mating season ends!
- Female newts lay around 200 eggs. Once hatched the baby newts are called newtlets.

Leisure Centre Crèche Now Open

Affordable childcare now available whilst you enjoy the facilities on offer

Waterlooville Leisure Centre has opened a safe, friendly and creative place for children aged 2 months to 6 years to play, learn and be entertained with toys, arts and crafts and interactive games.

Take part in a group exercise classes, enjoy a gym session, have a swim, or simply relax over coffee with friends, whilst fully qualified staff look after your little ones.

Opening times: (members and non-members) every Monday to Friday from 9am to 12.30pm. Please be aware that booking is essential.

Cost: £2 per child for 30mins, free for Platinum members

Book online via the Horizon app or by calling **02392 245900**

Bin It, Don't Block It

Remember the 3 Ps when it comes to what is flushable; **Pee, Poo, Paper!**

All properties at Berewood are served by a sewage pump station, which means they are not connected directly to the main sewer system. Anything going down the drains or flushed down the toilet passes through the pump station, which can get blocked by household waste.

Many of these blockages are caused by items like wet wipes, sanitary items and cotton pads that can't break down.

Many companies market products as 'flushable', but these wipes contain plastic so they won't break down the same way as toilet paper does. Although they'll disappear when you flush, they won't completely leave your drains. Pop them in the bin to be safe.

Resist the temptation to tip old food and oils down the kitchen sink or flush down the loo, scrape it in the bin instead. If it's more of a 'liquid' food like gravy, use some kitchen roll or newspaper to soak it up, then put it in the bin.

Thank you!

Yoga in the Community Hall

Classical Hatha Yoga sessions now running on Mondays 7:30 - 9pm

Jo Standen has been teaching yoga for nearly 10 years, and in addition to her other 8 yoga classes a week is now running a class at Newlands Community Hall on Monday evenings for £10 a session.

Yoga offers practical and engaging techniques that can be used to help cope with day to day challenges. It also builds confidence and self awareness.

These are important life skills that can be overlooked in the regular school/college timetable, and Jo would like to start a yoga group especially for teenagers in and around Berewood.

If you or your teenager would like to find out more she would love to hear from you!

Sunflowers for Ukraine

Show your support and brighten up Berewood this summer

Residents at Berewood are showing their support for Ukraine by growing sunflowers, the country's national flower.

One kind family has been offering seeds in exchange for a donation to British-Ukrainian Aid, and are encouraging as many households as possible to grow sunflowers to show their support and make Berewood look even brighter this summer.

Winchester City Council has pledged its support for Ukraine and has information on ways you can help:

www.winchester.gov.uk

Newlands Parish Council

New website launched

The Council has launched its new website, where you can find the latest updates, plus information on your councillors and the community hall: www.newlands-pc.gov.uk

The Berewood and Wellington Park developments make up the parish of Newlands, which sits within the Winchester City Council boundary. Yew Gardens is officially part of Havant, however the parish council will still assist residents where they can.

You can contact the Parish Council via clerk@newlands-pc.gov.uk or call 023 93 092357.

Waterlooville Community Centre

As well as managing Newlands Community Hall, WACA also run the large Community Centre located next to ASDA, just a short walk or drive from Berewood. The centre features a state of the art catering kitchen and bar, as well as a range of rooms for hire.

As life starts to return to normal, the NHS needs you more than ever.

Right now they need more O negative, B negative, O positive and A positive donors.

You can donate at **Waterlooville Community Centre** on the following dates:

- 15 July
- 2 September
- 23 September
- 14 October
- 11 November
- 2 December

Session Times:

11.00am - 13.30pm & 15.00pm - 17.30pm

Book an appointment online or call: **0300 123 23 23**
For more information please visit: www.blood.co.uk

Annual Resident Survey

Our annual Travel & Community survey will be sent out in June

The survey gathers information on travel and your neighbourhood to help highlight local issues, giving us valuable feedback on what residents need and where to improve.

For example, last year we received comments that you wanted to know more detail about the timescales of the development. We are now giving regular updates via this newsletter, our website, and on social media to keep you better informed of development progress.

We'd appreciate you taking a couple of minutes again this year to complete the survey and tell us your thoughts so we can do our best to make this a wonderful place for you to live.

Thank you!
