

06/10/2025

Dear Residents

We have been appointed by our client, Grainger PLC, to undertake works on a water supply pipe within your area.

The works will start week commencing Monday 6th October, and are expected to last for no longer than two weeks.

These necessary works are unlikely to cause any disruption to residents, except when access to the shared parking area will be restricted to allow excavation across the footpath. The restriction will be in place between 08:00 and 17:00 daily on the following dates. (see diagram below – affected area hatched in red)

Monday 13th October

Tuesday 14th October

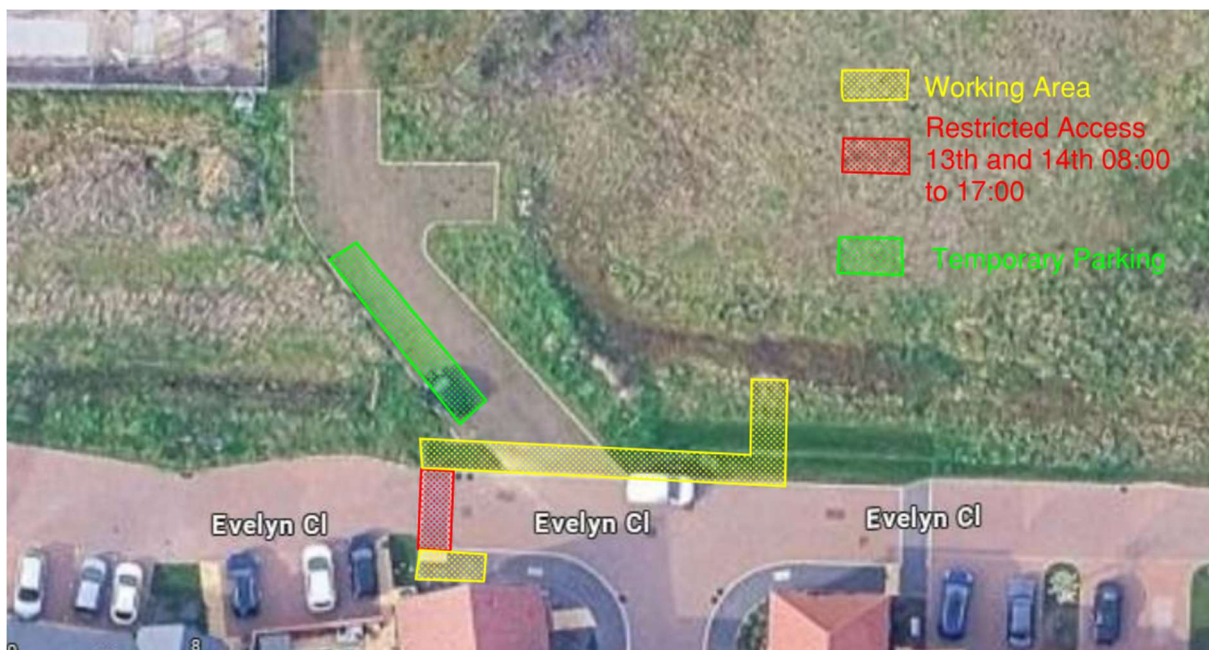

Wednesday 15th October

The abovementioned works are likely to affect the following properties.

7 Evelyn Close
8 Evelyn Close
9 Evelyn Close
10 Evelyn Close

Overnight and emergency access will be maintained at all times.

Our client has agreed that temporary parking can be accommodated in the area between the new allotment site and the pumping station at times when access is restricted. (area hatched in green)

Our on-site team will make every effort to ensure any temporary disruption is always kept to a minimum. We are hopeful that the duration of work can be reduced where possible. Please liaise with our team on site for updates or any queries you may have.

Emergency Contact:

Jamie Chambers

Telephone: 07976 012934

We thank you for your understanding and apologise for any inconvenience caused during these essential works.
